But the Question of Peace or War Rests

CUBA MUST BE FREE

Washington, March 30.-An vesterdáv asked this government, through diplomatic channels, was necessary to depreservation of peace, and had been informed hat it was. The president tokl not expect Congress to act precipitately, and that he is expectfrom Woodford."

The propositions submitted by this country contemplate a complete and immediate cessation of hostilities in Cuba, the return of the concentrados to their usual vocations, and the independence of Cuba, this last feature to be secured probably on an indemnity basis by which the island will harmonious evening was spent. pay a substantial sum for its freedom from Spanish rule.

There is some reason to hope that Spain may yield, but it is noticed that Spanish preparations for war are being pushed with great vigor.
